Motivation

- In normal gift purchasing website gifts are categorized by product type order like flowers, cards, chocolates etc.

- Customers search for gifts in the shop in some particular occasions.

- It is really ambiguous for a user to select a gift for persons with different relations.

- It would make viewing and selection of a gift easier and occasion wise.

List of Occasions

- Birthday
- Mother's Day
- Father's Day
- Sister's Day
- Valentine's Day
- Friendship Day
- Teachers Day
- Durga Puja
